So happy we saw Rona at our party last month. May her memory be for a blessing. Cousins Sharon, Larry, and Irene

My cousin Zeev came from Israel and introduced me to Hechalutz Hatzair, the youth group of the Achdut Avodah Party. I was 13 and met Rona, Soni, Esther, Sam, Asher, Maurice, and others who became very good friends. It is hard to believe it has been 64 years! I came to Michigan for my 60th high school reunion and ended up saying good-bye to my life-long friend. I cannot believe we will not have our yearly 'catch-up' meals. The last few years were sad and brought up back together. Farewell, my friend. L'hitraot!

“ *I met Rona at Oakland Community College where she worked as a tutor with students with disabilities. She was a wonderful and caring tutor, and I know all her students will miss her very much. God's blessing to Rona.*

“ Rona was so full of energy and always open and loving. She was an avid gardener. For as long as I can remember, when the Krauses were living on Rensselaer street in Oak Park and then on Web Street in Troy, most of the Krause's back yard was packed with a large garden with all sorts of fruits, vegetables and flowers. She was tireless in the care of the garden, a living breathing beautiful garden. On top of that she was a teacher and had other hobbies. She was never idle. Very rarely did I ever see her just sitting and watching TV. She was always on the computer or in the garden. She created a fish pond right next to the deck in the back of the house and filled it with Koi fish. Frogs always visited. She had Lenny were health nuts and and loved to cook healthy meals at home. I always cherished barbecues at the Krause's. Rona was my mom when we went over to there place as a kid. She watched over as Kenny and I concurred the world, or when we went camping. As she passes away from this world, she leaves the memory of a lively family, with all of the triumphs, joys, and pain of living. Rona will always be a part of who I am. Love, Saul Lipenholtz
