“ *May his memory always be a blessing. I knew Ron well when I was the Executive Director of the UCLA Student Fund in the early 1970s. Ron was a critical member of the Board. He became a friend and a mentor. When I knew him he was a man of boundless energy and creativity. Both UCLA and the Los Angeles area were lucky to have him. One of my great sorrows was that we didn't stay in touch after I left UCLA, entirely my fault.*

“ I have so many memories from a lifetime of growing up with April as my best friend. One funny memory that I always think about is when we were at April and Harry's in Michigan and I could barely walk from working out the day before with Harry. Ronnie came over to workout and I was downstairs for another torture (I mean workout session). Ronnie and I were laughing because we kept looking over at each other saying "HELP". The Katz family is and always will be my second family. I have such wonderful memories I will cherish and never forget. I ❤️ you all and I'm so sorry. I wish I could be there in person. May Ronnie Rest In Peace. Love, Lori
