John & I were so deeply saddened to hear of Roz's sudden passing. We met nearly 40 years ago when we brought my daughter Leslie to her daycare program. She gave us such peace of mind with her loving care. From there we developed a friendship thru our shared love of B'nai B'rith. We loved spending time with both Ray & Roz, and will forever remember her kindness. And loving spirit, along with her engaging smile and infectious laugh. We are so sorry that we have not been able to be there with you during this difficult time, but I took a serious fall, and John has been at my side to assist me. Please know that our thoughts and prayers are with you. May her memory be for a blessing.

I met Roz & Ray when I became involved in the same B'nai B'rith many years ago. I loved her snappy comebacks, her intelligence, and her sense of humor. I especially loved her great big heart which was filled with warmth & kindness. We bonded further years ago when I started volunteering at Yad Ezra. I could always count on her for emotional support, good conversation and great hugs. I will miss you every day my dear sister of the heart.

“ I send my deepest condolences to your family. I knew Roz as a wonderful owner of a fabulous daycare facility that she ran out of her home. Only one of our sons, Max Rosenbaum, had the good fortune of spending time with her. May she rest in Peace. Sincerely,

I was a college friend of Roz. We were like sisters back in the day. I opened the door for Ray and Roz to meet as I was dating and married to a man from Detroit.

Sorry for your loss Ray.. Roz was the kindest caring person I ever knew. She is truly missed.

May your family find peace when reflecting upon all the wonderful memories. Judy Romanoff

“ Coming in this morning to Yad Ezra was devastating
We said goodbye unbeknownst to us all —last week as Roz was embarking on a vacation
She passed away today leaving us all standing in a rainy warehouse as water from heaven leaked into the building
It's a sign
She told me while wearing a fan around her neck to buy one for Arizona so I did
What a sweet wonderful lady

“ I am so sorry to hear Rozzy passing. She was an amazing daycare "Mom" to our daughter Jaylyn and we were blessed she and Ray could attend Jaylyn's high school graduation luncheon last year. Jaylyn loved Rozzy, Ray and of course Nelson too. Gone too soon. RIP. Our love. Mike, Carol & Jaylyn

“ My colleagues, my clients, my wife, and my kids are all in shock today to learn of Roz's untimely passing. Roz was the glue that held all of us together. Her holiday parties always brought people together from different faiths, different backgrounds, different political parties, and different age groups. She was always a gracious host and great friend. Going to Roz's parties felt like going to a family reunion.

If you ever needed anything, she was there for you. If you ever needed someone in your corner, she was there for you. If you ever wanted to see her get mad, tell her a story of injustice. God's word says to love what is good and to hate what is evil and Roz did that.

She was passionate about the Yad Ezra food bank, Friends of the IDF, her husband, her son, and her grandchildren.

Our world has lost a bright light and we have lost a dear friend. Our sympathy goes out to Ray, Aaron, Devon and Brynn. We are all crying with you today.
