AN

“ *At the rising sun and at its going down; We remember them.
At the blowing of the wind and in the chill of winter; We remember them.
At the opening of the buds and in the rebirth of spring; We remember them.
At the blueness of the skies and in the warmth of summer; We remember them.
At the rustling of the leaves and in the beauty of the autumn; We remember them.
At the beginning of the year and when it ends; We remember them.
As long as we live, they too will live, for they are now a part of us as
We remember them.*

*When we are weary and in need of strength; We remember them.
When we are lost and sick at heart; We remember them.
When we have decisions that are difficult to make; We remember them.
When we have joy we crave to share; We remember them.
When we have achievements that are based on theirs; We remember them.
For as long as we live, they too will live, for they are now a part of us as,
We remember them.*
