“ Dear Sweet Ruth Wispe Finke,  
I've known Ruth for only 5 years but can say she is truly one in a million. She welcomed me into her family's life with her signature warmth, good humor and wonderful disposition. One thing that stands out in my mind is the fact that Ruth never complained. I know there were times when she was in pain and walking was a struggle but it never kept her down. I smile as I think of the time I walked into her room ; she was watching tv and working out with her exercise bands on the bed! This was less than a year ago! What in inspiration for us all.  
I will miss you deeply Ruth. Watch over us all as you always have.  
Much love,  
Catherine

“ I first met Ruth when I was 12.5 years old, over 35 years ago. It was the first time I ever got on a plane, and flew from Israel to the United States. I remember her smile, radiant with joy and optimism. I remember how elegant and impressive she looked. Since then we've met a few more times over the years, and since Facebook came into our lives it became that much easier to keep in touch, follow each other's lives, share our joys even though miles and miles separate us, physically.  
Ruth has always had and will always have a special place in my heart.  
I will always cherish the memories I have of Ruth! My love to the entire family.
