“ I happened across this obituary while looking for another one and just wanted to send my condolences. Nate and Ruth were dear friends of my late parents, Arnold and June Bennett. You are lucky to have had her for 97 years. May her memory be a blessing to the family.

“ It has been so many years, but my memories of Ruth, and Nate, are still very clear. They were wonderful friends to my parents and always treated me with great kindness. I am sorry to hear of Ruth's passing, but clearly she lived a long and full life. Although she is missed, she leaves a legacy of loving and caring that is a model for all of us.

Fondly,

“ For as long as I can remember, Ruth was one of my mom's dearest friends. She was gentle and loving to me and tried to help me with my pain and grief after my dear mom died. I loved her and am so grateful for having known her. I will always remember her kindness and her warm smile.

“ *Aunt Ruth was so loving to me and my siblings when we were growing up, a big part of our upbringing. Also a great friend to my mom and dad. She had great sense of humor that was shared by and passed on to her children*

“ Every time I would visit Nancy's family or see them in the first row of the hockey games or at Temple Israel, I was so amazed at the love and the closeness of their family and the fact that so much wisdom and tikkun olam repairing of the world could be passed from one generation to the next. They taught me what kind of family I wanted to have.

“ Ruth was always incredibly kind and she was so welcoming to me especially into the Shapiro family. She loved holding Jason's hand because she said he had "nice strong, warm hands!" Ruth and my Nana had a special friendship and I know that they are up in heaven having a great time now. Ruth will be truly missed.
