“ *I am so sorry to read that Salem is no longer with us... I was looking at pictures of when we lived next door, and here is a picture of Salem and Alan at my birthday party... Salem must have been about 7 years old and Alan about 6. They will be missed.*

“ To Sal’s family,
I was very saddened to hear of Sal’s death. Sal and I became friends last season at Naples Walk. We shared the love and companionship of our dogs. We also shared our sad experiences in the loss of our spouses. I looked forward to our weekly dinners as well as our chats on the benches in front of building 1.
I miss him.
May his memory be a blessing.

“ It is with sadness that we heard of the passing of Sal. He was an neighbor and friend here in Florida, at Naples Walk. His pleasant, kind and friendly manners made it a pleasure to sit and talk with him. We share our condolences with his family and hope that the many memories made over the years will bring peace and comfort to them. May God bless Sal in his heavenly destination. Earl and Pat Lozon

“ I moved in next door to Sal at Naples Walk about three years ago. Sal always greeted me with a welcoming smile and with little Sophie by his side. I loved talking with him and getting to know him. We talked at length about his loss of Marcia. I will miss his heartfelt greetings, his sense of humor, and his smile. He was such a nice man and had such a big heart...Always asking if he could lend me a hand. My heart goes out to his family members. May his memories bless your thoughts. Terri Krueger

“ Sorry, slight typo (clumsy tablet), I'd obviously meant the train set in the basement, back when we were all there for the wedding, just figured I should add that, of course....
