“ My mind is filled with so many memories, but the one that keeps cycling to the top is seeing my sister with black capri pants and a white blouse, surrounded by her children with a smile on her face that lit up the room. She was so elegant, even when she was being casual, And I see her on her wedding day, she was vibrant, radiating love, looking like a princess in her sequined wedding gown. So demure, so shy and with a wicked twinkle in her eyes. I love her. I will hold her in my mind forever.

“ Shana, Hailey, Bella, and I would often visit Bubbie in December. One year, 2019, the girls had just started junior competitive figure skating. They wanted to show Bubbie all their skating moves. There's no shortage of ice rinks in Detroit. So we bundled Bubbie up in scarves coats, mittens jackets, and we went to a nearby ice rink for public skate. There were only about four people on the ice including Hailey and Bella so Bubbie got a private figure skating show.
