“ Sally was a life long friend of my two sisters in law Charlotte Solomon Rosner and the late Norma Meyers Lewis. I went on my first double date with my husband of 60 years Earl Meyers and Sally and her then boyfriend Irv August. We remained friends for a very long time. Sally was a wonderful, vibrant, dynamic lady and she will be missed. Elaine Rosner Meyers

Sally was the sister I never had. We were friends for 60 plus years. She is still called "aunt" by my children. Sally and I went on cruises together. Her family and mine shared a cottage together for many summers. We shared the many good times and the sad ones, laughing and crying together. Sally will always be a dear memory for me, and I will miss her more then I can say.
