“ I worked with Samira. She was always so uplifting and bright. I'm shocked and so saddened of this news. We had always stayed in touch incase we had opportunities that may be of interest.

I will keep her family and her beloved children in my thoughts and prayers.

God has gained a beautiful soul.

My sincerest condolences,

Tanya Wilkerson

“ *The world has suffered a great loss with the passing of Samira. She was the brightest light to all who knew her. As a fellow colleague, I personally had the opportunity to work with her on two occasions. I will always cherish the time we had together – she sure knew how to make a person laugh! The world & those that knew here ... will never be the same. My heartfelt love & prayers go out to her family during this time. - MJ*
