Marc, I just watched this Video of your Mother's service. You were beyond wonderful in sharing how your Mother, my Sister lived her life! I'm sorry that I could not be with you on this day.

During the lengthy phone call that we had, I was so glad that we could share some 'stories' about your Mother, Uncle Allan, and myself.

I felt that you gained some additional insight into our Family, as we grew up, and my relationship with your Mother, which was always a good one! I was her 'little Brother', and she always made me feel loved! I hope that we can do that more times in the future. I'll look forward to doing so!

This is a devastating loss to all of us. You, Lana, Howard, and all the rest of your Family are in my thoughts and prayers! God will look after our Sandra now.

All my love, your Uncle Irwin

“ Words cannot express the sorrow we feel when we got the news of Sandra’s passing. We are first cousins, she was my mother’s niece...they shared a special bond-almost like sisters. Sandra (I always called her that when everyone called her Sandi) was so kind, loving, patient and compassionate person one could know. Our hearts go out to the families and it’s a blessing that her and Bob are together again for eternity.

“ We shall miss our visits to Las Vegas to visit with Sandra and Bob. Sandra was the essence of kindness. She was like a big sister to me during my childhood. I shall miss her very much. We send all of the rest of the family our sincere condolences.
