“ Dearest Sandra & Oscar, we will never forget you both...whether it was the great parties on West Hampton, visiting on El Captain for homemade tacos along with yelling at Chico, it was a pleasure being together ❤️. Recently when we came over asking what you wanted to eat there was no hesitation....Jets cauliflower crust pizza along with Nolan thinking you might enjoy cheesy breadsticks. So...there we go...enjoyed and even offered Sandra the last piece which she took graciously! 😊 Going to miss you. Love 🥰 Sandy, Kim & Nolan

Well Sandy we find ourselves here, not what we planned. I never got to sit on the deck that I watched Oscar build for you so that he could smoke and you could get out there with Sparky and get some sunshine. I'm sorry I wasn't able to see you before you left or help take care of you.

For some reason it was like trying to get into Fort Knox by the time I found where you were. As you know Mom has been gone since 2008 with you and Oscar now the old time parties will be complete. 😊 May you rest in peace.... "Hamakom y'nachem etchem b'toch sh'ar availai tziyon ee yerushakayim". ❤️
