“ "Sy and I played softball together in the early years of Oak Park's
first senior league. He was an outstanding infielder and batter on
our championship team! Nobody was ever a more intense athlete! I
have a video on CD or DVD of the first championship game
televised in Oak Park that I will share with his family because he
was one of the stars of the game. I'll be out of town for a couple
weeks, but I can be reached at halperal@gmail.com

“ *Mr. Kunin was my coach for baseball when I was in middle school. He came to my house once when I moved in with my father to check in on me. It was a tough time in my life and somehow he new it and took time to make sure I was ok and to tell me he still wanted me to play baseball. Some people make an impact on your life and you don't fully understand it. Mr. Kunin was that person for me.*

I second my brother, Dennis' remarks. I was the flower girl for Uncle Sonny and Aunt Beverly when I was 5 years old. They were my favorite couple.
