“ Sharon & I had been friends for approximately 45 years. She certainly was one of a kind. Wonderful friend, wife, mother & grandmother. I will certainly miss her many daily phone call- she certainly kept tabs on me.

Sharon (Mike) has been friends for over 30 plus years. We was on the bowling league together, attended many birthday parties and social events that my family had and especially the adventurous trips to Walmart, Meijer stores and other places. I spent time with Sharon this past November we had a great time together. Sharon will be missed . Rest well! Love your friend Cookie and family

Sharon worked with me for several years in my in-home day care. She was great with the kids and fun to work with. Together with another friend, we were a great team. Sharon showed the kids respect and compassion and was very fun with them.
