“ I am so deeply sorry for your loss. Sharon was a totally unique, energetic being with incredible spirit. I fondly remember her as Fro, my buddy from high school. My fondest memory is when we went to Taco Bell with a bunch of people; she and I had a taco eating contest in our overalls! Although we haven't seen each other much over the years, I've always considered her a lifelong friend.

“ My heart is broken for Fran and Lloyd. Sharon had a smile for everyone she met. Since kindergarten she has been a smart and joy-filled person.

What a pleasure it was to know her through HS and occasionally see her at her parent's house in Southfield. The world is lesser for her loss.

May her memory forever be a blessing.
