“ *Dear Ron & Family - I am so sorry and sad for your loss. Sharon and I reconnected after a lapse of nearly 50 years. We were reintroduced, maybe 10 years ago, at the Jewish Book Fair's Book Club Night. Sharon reminded me how we first met at Camp Tamarack. With her amazing attention to details and her fantastic memory, she vividly described our cabin in Sheruth Village, 1960. That summer my bunk was next to hers. I will always remember Sharon as that friend with a memory like a steel trap and a heart of solid gold.*

*Dear Ron & Family,  
Harvey and I are so heartbroken for your loss! Sharon was such a kind, considerate, and thoughtful person. She never forgot a birthday, anniversary, and would always ask after my grandchildren whenever we spoke. She was a wonderful friend and will be greatly missed. I am forever grateful that we reconnected after so many years and I will cherish our last lunch together!*

“ Dearest Ron and Family,  
Living in Scottsdale I often look at obituaries curious to see who has passed that touched our lives. This morning when I viewed these sites, my heart broke. Though years have passed since we shared times together our feelings have not changed. It is impossible to put aside the great times we had together. We will never forget Put in Bay where we laughed so hard and so much we could hardly walk. Going on that Ford Tri Motor plane and sitting on egg crates is classic. And what we did to that poor innocent golf cart, we almost had to purchase it to make up for the damages we caused. Sandy and I still talk about this memory frequently. Sharon and I would always talk about Mr. Carter our Econ teacher at Mumford and how he picked on the 2 of us because we disrupted his lectures with our giggles and laughter. Our senior prom..the best of memories. So many years have passed and come between us however our feelings for you and your family remain the same. There are no words that can accurately describe what we wish to convey to you. In your grief know that we are with you in spirit. we always knew how the two of you were really one. A beautiful love. so saddened with Sharon's passing. Love, Sandy and Norma

“ Dear Ron, Marion, Gary & Jerry and families - The sudden loss of Sharon is a real heartbreak. I watched her grow up as part of our extended family and I will never forget her care and concern as Geraldine reached her older years. I am thinking of you during this very trying time. “Uncle” Phil Raznik

“ Dear Ron, Marion, Jerry & Gary and families - We can't imagine your feelings of loss for your dear Sharon. She always acted in kindness and took care of everyone. While Shiva is so limited in this unusual time we want you to know that we are thinking of all of you. May Sharon's Neshama be at peace and may you be comforted among the mourners of Zion.  
Love, Susan & Larry Gormezano.

“ Dear Ron and family,  
If we measure success by the number of lives we touch and the ways that we reach out to others, then it's hard to imagine a richer teacher than Sharon's. May looking back, in all Sharon's accomplishments, may it bring you pride and hope.  
We were so very sorry learning of the death of Sharon. It certainly great loss to all of you!!  
May your special memories of Sharon bring comfort, laughter and peace. Please know that our thoughts and prayers are with all you at this difficult time. We will watch the funeral on the computer. love,

“ My heartfelt and sincere sympathy to Ron and family. I am so sorry for your loss.  
Sharon was a good and caring friend for many years. We had happy and sad times together as friends do. With both of us being teachers we could commiserate and empathize with each other over our years with Detroit Public Schools. Sharon genuinely cared about others, and will be missed by many.

“ My deepest condolences to the family during this difficult time. Sharon was such a kind, loving, friendly woman. I loved when she would come into the salon to get her hair done. It was the highlight of her week. We would talk for hours about life and her years of working as a teacher and how much she loved her grandkids. I always told her she reminded me of the actress Goldie Hawn she loved that. I will miss her phone calls and Facebook messages checking up on me and ask how my daughter is doing in school. She will definitely be missed. ❤️ Love Krystal Sabatini

A beautiful women inside and out. A tuff women of amazing children and grandchildren. She was so giving to others. I get to remember her a week ago. As she sat in my chair. Getting her hair done. A week from today. She looked at me smiled. That's my memories. I was her stylist. She will be missed. I love you Sharron. May you be at peace. To soon ... love you
