*Raphael and the entire family: My deepest condolences to all of you for your loss. According to our traditions, one who passes away so near to Rosh Hashanah is the recipient of Hashem's immense mercies, in that Heaven decided that this individual has suffered enough in her or his mortal experience. While it's a beneficial decision for the deceased, it is nonetheless painful in the loss to the family. May you be comforted by the Al-mighty amongst the mourners of Zion and Jerusalem.
