“I've been friends with Sheila for many years. She was an integral part of our Sharrey Zedek exercise classes, bringing joy and laughter with so many jokes week after week. I would always look forward to her smiling face and her friendship was something I always cherished. I was so saddened to hear of her loss and please know she'll always be remembered as having a beautiful Neshama, making this world better because of her presence. May her memory endure as a blessing.
