“ He was definitely a funny comedian reminiscent of my father Charles Sills and his attempts at joke making. I called his phone today and received the disconnect notice which sadly prompted me to check obituaries. I enjoyed speaking with Sheldon the short time that I knew him and will miss our conversations. My condolences from cousin Timothy (Timmy) Sills.

“ My son, nieces and nephews all remember Sheldon with fond memories. He was part of their lives growing up. We had some nice times over the years. He was a good man and a great character. Sorry he is gone. Sorry for your loss.

“ Sheldon was a kind and thoughtful person. He was known for his bad jokes, of which he admitted were bad. I will miss him so much
