“ I am so sorry to hear about Sheldon’s passing. He was a good friend and neighbor. My favorite memories with him were getting together and baking. His cheesecakes were amazing and he taught me how to make cream puffs and eclairs. He always would tell me how lucky he was to be my neighbor but I think we were the lucky ones to have him! He will be missed.

“ 10/25/21 Today is the first time I've been able to bring myself to comment about Sheldon. He was a wonderful man, who kept in touch regularly. When we visited him in AZ, he took us to Chompie's and at his home, loved talking about his nephews and niece. Sheldon and I traded recipes. When he called, I knew I was in for an hours-long conversation! I called him when I could set aside half a day to do so! I found out about Sheldon's death from another cousin who called me, but was unable to be at his funeral because I was in Canada. I will always remember his kindness when both of my sisters died, and when my husband was so critically ill. Sheldon was a mensch I will miss him so. I was proud to call him my friend, as well as my cousin.

“ I have had the pleasure of knowing Sheldon for at least 10 to 15 years. We met at Cabad here in Phoenix for many of their dinners and get togethers. We were sort of the Detroiter bunch who had so much in common that it made our get togethers so much more special to me. I will always remember his sense of humor, his kindness and warm personality. Of course his cheesecakes were the best! Who could not be amazed at his house. So beautiful and filled with so many gorgeous wall hangings, pictures and many 'chotchkies' everywhere. (It rivaled many women's senses, it was that spectacular). Sheldon, it was a pleasure to have known you, and I will miss you terribly, rest in peace my dear friend.
Sincerely and love. Rosida Watson

“ My condolences to the family. Sheldon was always giving and helped make our Smile on Seniors dinners memorable. He had a beautiful home, donated his cheesecakes which were delicious, and I'm thankful for the rides he provided to me so I could also attend the dinners. He will be missed.

It was so sad to learn about Sheldon's passing. Sheldon was a kind man and a wonderful host. He was a loving brother and uncle, he had so many stories about his beloved family including the plays his family put on for the other members. He was a collector of beautiful things that he brought back from his travels . He kept an immaculate home without any help, he didn't think anyone could do a better job. Since the pandemic most of us have not seen each other, but some of us were planning on seeing him before he moved back to Detroit. This never came to be. RIP Sheldon.

“ My deepest condolences to Sheldon's family. So many great phone calls, brunches at my house or his and going out to dinner as well as Smile on Senior dinners with Sheldon. He was so kind, always smiling, giving and caring. Sheldon was a great person who, I, was so grateful to know and be friend to. I even remember him giving my son, Kevin, who is special needs, many pairs of unworn pants that didn't fit him anymore.
G-d Bless and may he Rest In Peace. He will be greatly missed by all of us.

“ I remember how Sheldon would come with Eva to my house in Southfield and sit with my Mother and Eva for hours and talk . The conversations would vary from what was happening in the world to what was happening with family members, to arguing over who had the higher electric bill. It would always end with laughter and a hug and kiss good bye. I remember everything and there was never anything but good to remember about him. I loved Sheldon.
