“ Wait I remember another, Shel, Allen and Jerry played golf on Sunday's and one time I was to pick up Shel, I waited and waited but no Shel. I left and the 3 of us were on the 4th fairway and we here someone screaming I took a 4 on number 3 wait for me. We looked and there was Shel running after us and then stopping then running and stopping. We found out he kept stopping because his clubs kept jumping out of the golf bag, thinking about it I still laugh. Good times from a good person and friend

“ One of the funniest stunts I remember about Shel was when Tucker-Grant put on a show. Shel was introduce and when he came out and saw the audience he stopped and fainted. The look he gave and the audiences reaction was fantastic. Loved him
