I kept calling and calling. I left messages. Today the phone was no longer working. I looked it up under obituaries. Then I realized Shel had passed away. This is a very sad moment for me. Especially knowing that he left us in June. Rest peacefully my very good friend.

“ Having met Sheldon only a few years ago, I have been blessed to have known him. He became a friend over a short period of time and I was honored by his friendship. He and Barbara opened their home to me on occassaion and I was made to feel as if their home was my home during those short periods. His family and many friends will miss him dearly and I am thankful to have known him even for a short time. My heartfelt condolences to his family and friends.

“ Shel became my sales rep and we hardley knew each other. But in “Shel Sherman” fashion, he quickly became a friend and then almost as quickly became one of my closest friends. I will miss him a great deal and my heart goes out to his entire family.
