I remember my cousin Sherrill as a smart, creative, honest person. She was always authentic and sincere. Always interested in your life and how it was going. She took great joy in nature. Sherrill was a devoted nurse, wife and mother. We will miss her very much.

“ Sherrill and I met as teenagers in Habonim youth group. From the first, I admired her commitment, sincerity, openness, and especially her wonderful sense of humor. She was a dedicated nurse, daughter, sister, and always a devoted friend. I was grateful that she stood up for me at my wedding. May her lovely memory remain an abiding blessing.

“ I think my most strongest memories of Estee have to be when I would come to your home mid Shabbos afternoon. We would go down the basement and both of us would take out the books we got that week from the library. These were no ordinary books; these had plays, dialogues, etc., and we would act these out. Oh the drama! We would laugh so much. She truly was someone who needed to march to her own drum. In later years her creative streak came out in her hats and artwork. She was so talented. She fought a tough battle with her eyesight. I'll always remember her, her smile and her spirit. Baruch Dayan emet. May your memories bring you comfort. With love, Debbie (Brooks) Chutz

“ We met Sherrill many years ago when we all gathered at Freda's home. Sherrill was such a friendly, kind, generous, and loving woman. She will be greatly missed by everyone who has known her. Diane and David Clarke□
