“ *Condolences to the family. I taught with Shirley at Kol Ami, years and years ago. In the photo, there's a playful, almost mischievous look in her eyes. She was welcoming to a new colleague, easy to talk to, and could see the humor in a situation.*

“ My condolences to the family. Having known Asher for many years the picture of your Mom with a beautiful glowing smile is how I think of Asher and his family. In thinking of you Asher and your family ""God could not be everywhere, and therefore, he made mothers." Just remember a "A mom's hug lasts long after she lets go."

“ Everyone's bubbly. Always smiling, even when in pain. And boy, could she come up with some inappropriate comments at inappropriate times. She was never boring, that's for sure!! Sending all of you much love.

“ I am saddened by the news of her passing. I remember Shirley since I was very young. I used to play with Sheldon at their house all the time. She would let us build forts in the living room. We used to chase quacky the duck in the basement. She was our cub scout den mother. She will always be remembered.
