“ Dear Debbie, Walter, Brad, Doug and Family, I just heard the news this morning and I want you to know I am so sorry to hear about your mother. As I look to her beautiful picture I remember her kind heart and open arms always at the Cottage On Woodhull Lake, your mother had a presence that will never be forgotten . I still live on Woodhull Lake and I look at your old Cottage daily, time stands still her beauty still shines. Your whole family is in our hearts during this time and the memories will continue to live on in Woodhull Lake.

“ *"Dear Shirley Family,
The news of your sorrow has just reached us. We think we can realize your loss because we know how empty our world seemed when we heard of the passing of your mother. It will be very hard for all of us who knew her well to carry on without her, but we can be glade it was our privilege to have come in contact as long as we did with such a very lovely person. We shall always remember her kindness and cleverness.*
