This was a beautiful, uplifting service. I am happy it was able to be shared. She raised a great bunch of kids, who became really excellent adults. How proud her and your dad can be! Keep smiling.....xo

We celebrated birthdays together each year along with Cherie as your birthdays were 2 days apart. So many memories of growing up together, playing and later sharing time and family occasions with your family. I will miss you dear cousin,

“ We loved our cousin Shirley and she was the most fun and happy person around. She always made me smile and laugh and seemed to raise the most wonderful children and I had the honor of babysitting for them. Her and Joel made a home that we all wanted to visit and I have great memories of parties and fun with the family. All of love and thoughts to you in this time of sorrow. Love Cousin Karen and John
