“ *Sid and our Dad Gene Levine were the best of friends all their lives. We have so many happy memories of sharing family Simchas, dinners and fun times together with them and their family along with Gene, Gloria and our families through generations! We find great comfort in those wonderful memories.*

Hugs to his devoted family, Carol, Harriet and Trudy

“ *Everyone loved Uncle Sid. I came to Detroit for a conference when they were still in Michigan, and they treated me to lunch. I treasure the photo I took of those two generous, kind and loving souls. I loved Sid's wry humor, his thoughtful politics, his gentleness, and his unselfish, generous manner.*
