“ I am honored to have known this amazing man. I will miss seeing him at one of his most favorite places. In front of the grill, spatula in hand, dogs on the flame, always inviting you to join him. Missed will be his infectious smile, his always engaging conversation, his gentle demeanor. Truly one of the single most gentle people that I have ever known. Rest in peace, Mr. Binke❤️

“ Sherrie and Craig,
There are never enough words or the right words for the deep tear in your hearts and in your family's hearts. He was a warrior and fought so hard. May his memory be for a blessing. Remember him when he was well and know you were an amazing daughter to your daddy. I saw that in all of the posts and pictures. I send my love to you and your loved ones. Karyn Meyers

“ Sherri and family, I am so sorry to hear about the passing of your dad. If you recall, I met him because his locker was right next to mine at the JCC Health Club. He was always super friendly especially when he heard I know his kids and grew up in Tanglewood. Later, when we reconnected through our friendship of the Krafts, he was so nice and welcoming again. He is and will be a blessed memory.

“ Perhaps the greatest honor is to remember him as a Mensch. Totally devoted to his wife and his family and the greatest role model ever for Jacob AND an extra Zayde to my Brad. After having such a rough start he made such a magnificent life. His memory will always be a blessing.

Sorry that we found only today after the funeral about Simon. We were close neighbors at the JCC health club, and we respected one another despite some differences of opinion. I admired Simon greatly for his wisdom in so many fields. despite the fact that he was deprived of education and freedom during the Holocaust. Farewell, dear friend ! Take care of yourself, dear Rae of sunshine!
