“ *When we were young your Dad would play basketball with us on the driveway. I remember a lot about him. He was good friends with my parents. He was a good man, a good husband and father. May his memory be for a blessing*

“ Wendy and Andy,

My memories of your dad go back 50 years ago. The memories of our families getting together for no reason, other than to be together. It even included Sam (did I get that right?) and our dog Sandy. Wow the photo of your dad brings back all of those memories. I am so sorry to hear about your loss and what you are going through now. My thoughts and prayers are with you.

Love,
