“ *I remember as a child meeting your father. My father had a business in Detroit on Grand River. My father has passed also, but I know he would want to send his prayers to your family. Here's to all our memories.*

“ *Dear Hoberman family,
I am so sorry to read of your great loss. May you find comfort in the love and support of your family & friends during this difficult time. I also hope you find comfort in the fact that one day very soon, God promises us at Isaiah 25:8 that death itself will be swallowed up forever.*

“ 30+ years ago I had the pleasure of meeting Sol and Paul when I took over Acme's acct from another Winne salesman that sold them rope and twine for decades prior. I will always remember when Sol called my home the first time at 7 am....."Timmy, your secretary would not give me your home number, but you are listed in the phone book. I need you to come check my stock. Today! Goodbye." Click!Even after I started carrying a cell phone, I would get the early calls at home and was always, and will ever be, grateful for knowing these legends at Acme. God Bless you my friend.

“ Forty-two years ago, I stopped at a small distributor on Grand River in Detroit. A calm, peaceful man welcomed me and a friendly, rewarding relationship began. I will always thank God for directing me there. He will certainly reward Sol for the peace and happiness he so generously gave his family and associates.
