sophie, whom we all knew as Sophia was a dear friend. I used to see her at the Wb library very often and we used to talk. she called me; HAVERTI, my friend, ans in her emails to me used every Hebrew word she remembered. She loved Judaism. I and the rest of the friends who loved her dearly were shocked to hear of her untimely death. In the last couple of years she dropped off sight and we all would like to know what happened to this dear friend. Yehi Zikhra barukh.

I went to school with Sophie, back in the sixties. Our parents were friends. Always wondered what happened to her. Sorry to read of her passing.
