“ *I always enjoyed my visits with your Dad. Our conversations were wonderful and he told me many stories about my family. His memory was incredible. I cherished our time together. He was a great listener and was supportive and loving. I was 25 when my Dad died and when we were together he was like a Father to me. I will miss your Dad so much and I am very grateful we had a wonderful bond. Your Dad was a very special man.*
Love,
