“ *I knew Stella when she worked at Jabil. The love and joy she felt for her family was obvious and expressed frequently. She was smart, kind and thoughtful. I know her family and friends will miss her deeply.*

“ *I'm incredibly sad and shocked to hear Stella has passed away. Stella was a great engineer and manager. She always gave me good advice and you could tell she truly cared for engineers. She always made me laugh with her quick wit and her incredible love for her family was obvious. Stella often told us how proud she was of her children and how excited she was to be a grandmother. Our thoughts and prayers are with the Neyman family.*

Bless your heart Stella. May you rest in peace.
