“ Dear Helene and Marcy: Shari notified us of the very sad passing of "Uncle Steve" the other day. She also gave us the information about the funeral. It was my privilege to be able to attend his funeral just now through the webcast and to hear from Marcy and others about his beautiful role in your lives. Throughout the years it was a delight to see Steve at Goldstein family events. His smile and warm, gentle, loving disposition was always on display, lighting up any room he was in. Although I didn't spend a lot of time with him, it was always a pleasure to see him and I feel grateful to have known him. May his memory be a blessing. With my heartfelt condolences, Elyse Summers (Shari's Fab Four childhood friend.)
