“ Stephen was our neighbor for about 10 years. I used to love to look outside my kitchen window and see him and his little dog out for a walk. He was always ready for a chat with a smile on his face. In later years, my husband and I became very close to Stephen and Sandra. I regarded them not only as close friends, but almost 2ndparents.

“ My deepest sympathies to my dear cousins. Stephen and I always felt close to one another. I enjoyed working and spending time with him whether at the house or going out to eat. We shared the love of his dogs, spending time on the boat and riding his horses. I miss him greatly since I moved away but when we talked on the phone we always had kind words to share with one another. He'll be miss dearly and he is always in my heart. My condolences to everyone in the family. Wish I could be there with you. My thoughts are with you and deeply in my heart . Love Nancy

“ Dear Sandy and Family of Stephen Wittenberg,  
We are sorry about the passing of your loving husband, father and grandfather, Stephen Wittenberg. God granted Stephen a full life filled with travel, family, and a stellar podiatry career. Stephen was a loving partner to Sandy for sixty-one years.

We haven't seen Stephen in a very long time. Our memory zeros in on the old days at Congregation Shaarey Zedek and Hillel Day School when our children were young.

I personally remember Stephen's love of horses. He took me riding on a Sunday morning in Mayberry Park and the two Jewish equestrians had a wonderful time.

Stephen's legacy is his cadre of caring friends, his loving family, and his fine reputation as a podiatrist. There are no fitting words to help ease your broken hearts. May time lessen the pain you feel now, as fond memories of Stephen gently turn your tears into smiles.

Sincerely—Anna and Yale Levin

“ Stephen and I met in French class when he was a senior and I was freshman.

He joked his whole life that I helped him with French. Maybe I did? More important he and Sandy were already “going together” and were one of the cutest, sweetest couples.

“ I will always remember my uncle Steve is being very boisterous and outspoken! While he was practicing, he was my podiatrist and he always used to tease me and tell me that I have the Forman feet. I know that for his own reasons, he withdrew over the last so many years, and it made me sad that I didn't get to see him as often, but I respect that he chose to live the end of his life the way he wanted to. I will forever and always remember him and his love of dogs.

That is why I chose to donate to the Humane Society on his behalf. Rest in peace uncle Stephen, love you always. Tell my mom I said hello. P.S. I attached one of my favorite photos that I have in my bathroom. 💜
