“ *"They're gonna say a lot of things about us...*

Some of it's true.

Some of it ain't

But we never did hurt anyone who didn't have it comin' to him

So when they bury me, make sure they bury me with my guns on...

Gonna' need em'

Cause when we get to the other side...

There's some things that need straightening out."

“ We were the best ever. You were always off my left shoulder, and we always had each other's backs. No one I ever would have chosen to have there over you. No one.

When you see RB tell him we'll regroup in a while.

I love you brother.
