“ As Ryan's preschool teacher, I remember her speaking so fondly of her dad. Once when I was chatting with her, I asked her what her dad did for his job. Ryan got a big smile on her face and said "he likes to go to work and yell at the judge!" I thought this was just so cute and quite hilarious. Steven always greeted me with a smile and a friendly hello in the Hillel hallways and parking lot and I know he will be missed by his family and our community. Sending so much love to Lisa, Ryan, and Asher. We are here for you.

“ I enjoyed his company so much. He was always smiling and in a good mood. We spent a lot of time in court together and I will really miss him. The strength he showed and fight he had are both inspirational. Jonathan

“ Wow I'm so sorry to hear this. There was a period during my young adult years that Steve treated me like a family member. Steve was an incredible man who did incredible things for people he cared about. The memories I have of Steve are numerous from working on his campaign to the countless dinners at J Alexander's. I'm so sorry to his family, they lost a great husband and father. The world lost an amazing lawyer, and and even better human.

Best,

“ Steve' has been a part of our life for almost 50 years. He was a great kid...always sweet, kind and full of life. A highlight of our early years of marriage was spending quality time with Steve and the whole family. Honored by lighting a candle at his bar mitzvah has never been forgotten.

We are saddened that Steve has struggled for the last several months/ Although we have never had the opportunity to meet the family, we send our condolences to all of you. May Steve rest in peace .

Very sad to hear of Steve passing. Some of my best memories of high school are skating on the pond behind Steve's house growing up. Playing basketball at the JCC. Going to the track. RIP to a really good guy.....Jay Rein

To Steve in Heaven:

When I first met you at the JCC, pretty sure you were a teenager showing up to play basketball with, the older Big Guys. I had you by 21 years, and that mattered not! You were a rookie and wanted to learn and excel and be noticed. You definitely succeeded. Petty sure I took you under my wing and taught you my "famous" down low running hook shot. It was money! Saw you randomly here and there about our community. Instant recognition and mutual respect! Rest in Peace... Your fellow player, Walter p. Stewart, #18 on your program.
