“ *I have fond memories of Stewart's annual birthday parties that he made for himself. He was so generous with these parties. It seemed that they were for us as much as for him. We will miss you very much Stewart. You are special part of our lives. Cousins Michelle, Marty, Spenser, and Megan.*

Stewart was such a wonderful person. His smile was terrific. He made people feel good about themselves. He was quick with a compliment. Even gave me a small memento one time that was so touching. Just a pure joy to be around. May his memory endure as a blessing.
