“ My cousin Susie was sweet little girl and a kind, loving woman who always put family first. Although I haven't lived in the Detroit area for a very long time, it was always great to see her at family events. She will be missed.

“ Susan lived right across the street from me. We went for walks when she volunteered and picked up trash in the neighborhood. She was a good friend and always cared about the community. I will never forget our talks and time together.

*Susan was an asset to the Charter Township of Commerce, and she served on the Downtown Development Association for us until her health obstructed her ability to continue. Susan served her faith, family, friends, and community she was passionate about everything she did from swimming instruction, road adoption to improve the environment, the under privileged and she was eager to support your beliefs while always faithful to hers. Sue was a great teacher. She loved her kids and was such a kind heart. She brought out the best of all the children she had. I know she missed teaching and I know her students miss her.

I am so saddened by her loss. I knew Susie when she was just a kid. Always a bright light for everyone and everything. Susie went out of her way to come to the shivas for my mom & brother. She was a bright light that was always shining. May she rest in peace.

I went to Southfield-Lathrup with Susan, where she was a math wizard in calculus. We met again at our 40 year reunion and got together from time to time. She spent a great deal of time taking care of her father, of blessed memory, at Hecthman Apartments. She was also very devoted to making life better in Commerce Township, and even got friends (including me) to help with trash cleanup. May she rest in peace.
