“ I met Sue at JVS over 20 years ago. I enjoyed our conversations when we engaged in them. I am grateful I got the chance to spend time with her during COVID as I worked at her home for a few months. You will be missed

“ So sad to read of my friend Susan’s passing. I first met her when I worked for your Dad during co-op in high school in the ‘70’s. I was so impressed to meet someone with special needs dressed so cute and with jewelry to match! Thanks to your mom, JARC grew and grew and I became a life long volunteer. Susan and I were always happy to see each other. Please accept my deepest condolences for your loss

Fondly,
