I am truly at a loss for words. I have some personal memories of Mrs. Levitin which developed due to our proximity in the shul where she continued to daaven on Shabbos and Yom Tov even after her late husband passed away. My seat is directly in front of the Mechitzah. Her seat was just behind it. She could hear all of my loud responses to Kaddish, Kedushah, etc. Had she found fault with my pronunciations, no doubt she would have had a kind and gentle way of letting me know. Fortunately that was not the case. It was a special pleasure to be able to wish her a "Good Shabbos ", because her reply was always with warmth. There was a noticeable lack in the shul during the past 9 months of that she was living with her family in Chicago. And now we will never be able to bring back what was lacking 😞.

Those of us in our local community who failed to reach out, to let her know how much she was missed, need to ask her Neshama for Mechilla for not letting her know how deeply her absence was felt. But as most of the speakers noted in their eulogy remarks, Mrs. Levitin's impact on this community that she loved so much, will continue to manifest itself for generations to come. To her wonderful family we say

My husband and I are so grateful that we were able to 'be' at the kavod acharon of this wonderful , warm , great woman. Three of our daughters were her students, and all learned so much from her and are teachers of Torah. Rabbi and Mrs Rephael Skaist

Dear Levitin Family! I had the privilege of meeting Mrs. Levitin a"h fleetingly when she came to visit her amazing daughter, my esteemed colleague, Shaindy, in Bnei Brak, and at the weddings of her Shaindy's kids in Eretz Yisrael. I got to know Mrs. Levitin a"h more from rubbing shoulders with the sweet fruits of the orchard that she planted, cultivated and nurtured in her lifetime: her beautiful children, grandchildren and great-grandkids - such a choshuver family! - and her generations of talmidos, who came to Bnei Brak from Detroit during their seminary year. Every single girl from Detroit, across many decades, knew and loved Mrs. Levitin a"h! They were all her talmidos - in every sense - and were honored by their connection with her! Bais Yaakov and the entire Detroit community, and my colleagues and I - as close friends of Shaindy and her family - had the privilege of being exposed to this rare woman, the matriarch of the Levitin dynasty, who lived by her sterling values and radiated them to all those whose lives she touched. May we bring Mrs. Levitin a"h nachas and make her proud, as we emulate her ways and keep her legacy alive. ה.ב.צ.ג.ד. דassy Somosi, Bnei Brak
