“ My dearest Sylvia/2nd Mom, I don't know where to start to express what you mean to me. Ever since I was 7 years old & all 3 of your daughters & I played with my sister. I have always admired your strength, I loved watching you put “your face on”, you stood up for me, I knew you would always be there if & when I needed you. You always told me how beautiful I was even when I didn't believe it. Every year when we came up to Michigan I made sure I got to see you, hug you & laugh with you. You always bought me a beautiful birthday from a bakery & made food never allowing me to treat you for lunch/dinner. I remember our 3 hour phone conversations where you would tell me to be confident in myself. I am going to miss you forever but feel so honored that you were in my life. My heart will be forever broken until you & I are together again. Thank you doesn't even begin to say how much I appreciate you being in my corner. You told me on one of my trips up to MI if you need anything you call me I mean it missy! I knew I could count on you. Thank you for being my moms BFF all these years. You both were so beautiful in looks but in heart too. I could go on & on about all the good you did in my life but I know you know. Thank you for teaching me it's ok to stand up for yourself. RIP Sylvia you are such a classy lady I will forever miss. 🥹🙏
