“ My heart is breaking that Terri is gone. Whenever I saw her I couldn't help but smile and feel happy -- she was always so up and always had such a beautiful smile on her face. She loved her crafty and I've kept every card she sent us. Miss you sweet Terri. You and your Uncle Mike are together now and I'm sure you're sitting and you're both laughing and telling all sorts of stories to each other. Love you Terri.

“ I cropped with Terri at Scrappy Chic, Gotta Scrap Inn, and Creative Passions over many years. We always had a fun time. At Gotta Scrap Inn she was the first one at the table and first to leave to go back to her writing. She always greeted everyone with a hug and her smile. She had the best smile. My sister Lisa and I spent two weekends last summer with Vikki and Terri where we had a Hallmark Movie marathon. She also had a great memory. I shall always treasure my crops with Terri, a truly joyful person.

“ I remember the time we were at Gotta Scrap Inn after a long absence and Amy walked into the room. Terri rushed over to give her a big hug and said “I member you!”

Over time I heard Terri say that to others at Scrappy Chic whenever someone came into the room that she hadn't seen in a long time.

Then once after I'd been gone for awhile, I came into the room and heard Terri say to me “I member you!” and I got that huge smile and a tight hug.

And now I will say about Terri “I will always member you”.

“ I worked with Vikki and was blessed to get to know Terri through many gatherings that Rajiv, “Jeeves”, planned. It always made me smile when she'd come up to me and say, “I know you”. I love listening to Terri talk about her activities and trips with Vikki and Dave. She always made sure to keep every on track with what they needed to do. Terri loved to write and was always happy when I would get her some new pens and paper to write on. I will truly miss Terri's beautiful smile and fun loving spirit. Vikki and Dave I can only image what a difficult time this is, just know you added so much to Terri's life and she was so blessed to have had so many memories made with you. Big hugs and love to you.

“ *What a sweetie. She truly made the world a better place. Although she will be greatly missed, she will not be forgotten. I will always remember her smile and her positive outlook on life. I used to love joking around with her and trying to say something ridiculous so that she would come back with her favorite response when I was being silly – “no way!!”. I feel very lucky to have known her.*

“ Hello-My name is Rajiv Eapen and I know Vikki from work. I still recollect the day Vikki introduced her sister Terri to few of us at work. Terri was all smiles when she met me and gave a me a hug which would she would be known for over the later years.- a sweet smile and a big hug! Terri couldn't pronounce my name so she nicknamed me 'Jeeves"

Terri would be present with Vikki at several gatherings and parties where she was almost like a 'celebrity' and she brought a smile to all when they saw her and it was special see her walk around greeting everyone with a smile and hug.

I would learn she was an avid 'coloring artist' with never ending supplies of coloring books and accessories that kept her busy in her free time where she also watched 'hallmark moves' and a huge collection of video tapes of her favorite shows.

We were always entertained with Terri's day to day encounters at Burger King where she worked with her co-workers. Nothing was left out from her day to day activities.

Vikki gave Terri the opportunity to see and go places where most of us could only imagine. And yes-Terri always gave us a complete explanation of all she did on these trips. Vikki is truly admirable for all the selfless love and support she gave her sister through the years! God Bless her! Dave has also been there lending his support for Terri and Terri admired Dave and spoke highly of him!

We got to see Terri on Sunday 2/18. In spite of all she was going through, she didnt miss a beat. She asked Dave if he was keeping an eye on the dog and few minutes later ' did you put the sheet in the dryer?" This was the Terri all of us knew. Always aware of what was going on around her and keeping us all in check! Terri was always had a cheerful demeanor.

Terri is gone but not forgotten. She is in Heaven looking down upon all of us and as she would always fondly bid goodbye with her favorite line 'Buh Buh Buh Bye' Terri will always remain in our hearts.

God Bless the whole family during this difficult time and thank you Vikki for bringing Terri into our Lives!
