“ deepest sympathy and condolences to everyone.

i just found out that the funeral for tina was today. i would have liked to attend, either in person or by webcast, but i guess it was an hour ago.

i was friends with the family for a number of years. amazing how well you think you know everyone, and then i find i didn't know whom to contact.

i am certain that you are all very busy with this and of course it is terrible and sad, but, if there is anything i can attend or anything that i can do, please let me know.

i am especially concerned about rachel and rebecca. i hope that they are doing as well as can be expected. i hope that rachel is ok, but i have not heard.

tina was a good person. so horrible.

in addition to being friends, i helped the family with some legal issues.

let me know, please.

god bless.
