“ Heartfelt condolences to Victor's family. Though not too close, have known Victor for many years having worked in the same company years together. Always had that special smile on his face. Was extremely helpful when worked together on tasks needed from him years ago. Rest in peace.

“ My heartfelt condolences to Victor's family and friends.

I work in the same company as Victor and have never had the privilege of speaking to him directly. But while walking around the office during lunch and coffee breaks, I always noticed him passing by mildly smiling, with his friends and colleagues. I would miss that happy face and the sense of normalcy it brought around him! It won't feel the same anymore at work.

Rest well, Victor! I will miss you.

My heartfelt condolences to Victor's family.

I first met him at work more than 15 years back and we used to exchange occasional pleasantries. I remember that he was a quiet person with a ready smile. I will miss him. Rest in peace, Victor.
