“ Dear Alice and children, it was a great pain to find that Vitaly passed away. He was an amazingly bright and extraordinary person for all of us. His original view of things, his sophisticated approach to the problem always led to discoveries that were very unexpected and useful. Every conversation turned into a fountain of wit and humour. Lilya and I extend our sincere condolences to your family and friends, and to everyone Vitaliy has touched through his life.

“ Vitaly was a person doing Mitzvot for community members who was not well physically. He used his tremendous knowledge in engineering disciplines to create alternative healing technic which help to heal many of the people who asked for his help.

RS

“ *Alisa & Family: Boruch Dayan haEmes! I am so sorry to learn of your family's loss. Although I only met Vitaly on 2 brief occasions, it was obvious that he supported you in your dedication to both, your late beloved mother, Helen, and her devoted husband, the late David, Aleyhem Hashalom!! By doing so, Vitaly also shared in your Mitzvah of Kibud Av v'Eym. Assuredly as he honored them in life, their precious Neshamos will now honor him in eternity. Y'hi Zichro Boruch.*

HaMakom Yenacheym Esschem B'soch She'ar Aveiley Zion v'Yerushalayim!
