“ *My Aunt Vivian was a very kind and gentle soul. She had a life that was full of challenges yet she was always so dedicated to her family and all the wonderful people that helped her along the journey of life. She loved her sister Mollie and my late father Harold with all her heart and would look forward to thier calls and visits that would lift her spirits like nothing else. I always enjoyed her spunk and spirit. She will be missed by all who knew her.*

*A very special heartfelt thanks to the entire JARC organization that cared for and attended to her for so many years. She was so grateful to them and we thank them with all our love.*
