“ I thought it was so touching that Walter spent his final years with Muriel. I know it would have comforted Harold to know that Muriel had Walter’s company until the end of his life. May Walter’s memory be a blessing. Elyse Gilbert

“ Deep condolences to Walter's family. I have been a volunteer at Coville for over a year. I just adored Walter and spoke to him every week on Friday. I loved that he and his sister-In-law, Muriel, would sit holding hands on the couch. She told me today how much she will miss him as we all will.
