“ Dear Brother- "Zayde Tess" became our Brother forever when dear Rabbi Lopatin married awesome Rachel, gave birth to & raised four amazing children on our (ASBI Chicago) pulpit, whose total tenure was 18 years! Tesslers, Lopatins, all best of both (four amazing children). Since departing Chicago, dear Warren was my best cherished e-mail "pen-pa!" missing your presence always! Emet! Barry

“ My parents knew as their periodontist, but I got to meet and get to know Warren personally as an avid biker while training for an ultimately biking in Israel, on behalf of Alyn Hospital. I will never forget when we rode together, always near the back of the line straight downhill from the border of Egypt down to a lot where I was greeted by my husband’s uncle and much to Warren’s delight. Our uncle was a classmate of his growing up in Detroit. Warren was always so sweet, so kind so gentle and so proud of his family of being Jewish and of being part of this great community of Detroit he will be greatly missed. May his memory be for a blessing.

“ To the family of Dr Warren Tessler
Warren was my periodontist until he retired. I, also had the pleasure of his company at “Boys Lunch” until recently.
During all those times I could only conclude that he was just the nicest human being one could ever find!

“ My mother was visiting from Florida and she had a terrible tooth ache
Of course it was on a late Friday afternoon
Dr Tessler was late for Shabbat but he made sure my mother felt better, now that’s a mensch, a kind man and a devoted man.

“ I was deeply saddened to learn of the passing of Dr. Warren Tessler. My mother, a previous patient, used to make the trip to Michigan from Florida, to have Dr. Tessler " with his Golden Hands" do all of her Perio work, as well as cleanings. It was my good fortune to become employed by Tessie, as all of us lucky employees used to refer to him. My dear friend & fellow former employee notified me from FL to where I reside in SC. of Tessie's passing. Prayers & Peace to his loving family. Barbara Krause Greenberg

“ A true mensch and mentor in many ways. Always cordial and polite and never left our conversation without a "GO BLUE". Hope he was able to acknowledge their basketball championship. He will be missed. May his memories be a blessing.

“ We are so sad to learn that Warren has left the earth... He was a true mensch, a proud Jew, a cherished supporter, and a warm, connecting presence in our Detroit community. A devoted friend and dedicated volunteer at Jewish Senior Life, he gave generously of his time and spirit. We were honored to celebrate him as one of the Eight Over 80 in 2021, a recognition so fitting for a life so well lived. We were Team Warren all the way, and always will be. Warren greeted everyone with a smile and always a kind word, leaving a lasting impression on all who knew him. He was so proud of his family and our community. We will remember him and that twinkle in his eye with gratitude and love. May his memory be a blessing to his very special family.

“ I first met Warren as a periodontal patient. He took such gentle and professional care of my periodontal needs. I grew to depend on him until he finally had to tell me, ‘Judy you need a general dentist.’ Later, we were Beth AHM friends sharing what was happening with our children, etc. It is good to have had a friend like Warren. His remarks were so trustworthy; His warmth so sincere; remembering him a blessing. Judy Vine

“ Dottie and I met Warren and Charlotte 60 years ago in South Carolina, when Warren was in the Army and I was in the Air Force. We have remained friends ever since. In recent years we were fortunate to be able to spend quite a lot of time with Warren. When he was feeling better we had a lot of fun together in Florida. Lunch on Tuesdays with the boys and Sunday dinners at Rams Horn with Sandy and Jeff Weiss were special because it was quality time with Warren. Warren was the kindest and sweetest person I knew. Dottie and I will miss him greatly. I will miss my Friday phone call wishing us Shabbat Shalom. Dan Levitsky
