“ *Bill was a pleasure to Personal Train. He was such a strong man. I enjoyed his great taste in music. We both enjoyed listening to the Frank Sinatra station while he was working out. He was such a smart man. I learned a lot from him when we would discuss historical events and politics and about the history of Israel. He had a great sense of humor. Bill will be greatly missed.*

“ *Bill was such a kind and wonderful man. I remember taking a trip down to Ft. Lauderdale with his granddaughter to visit him and Ruthie. We all had a blast, and he was certainly entertained having three women in the house!*

Following the passing of my grandfather (his brother in law), Uncle Bill did the blessing of the Challah at my wedding and made sure every knew that it was lucky, so they needed to eat up!
